

Snood Réglisse

variant of Snood Caramel

*Crochet 6UK- 8/IUS
4X50GR Népal – Drops Design (50gr= 82 yards)*

The cowl is crocheted in rows and sew, edge-to-edge, to create a tube of 31 inches of circumference.

Cast on 140 chain

Row 1:

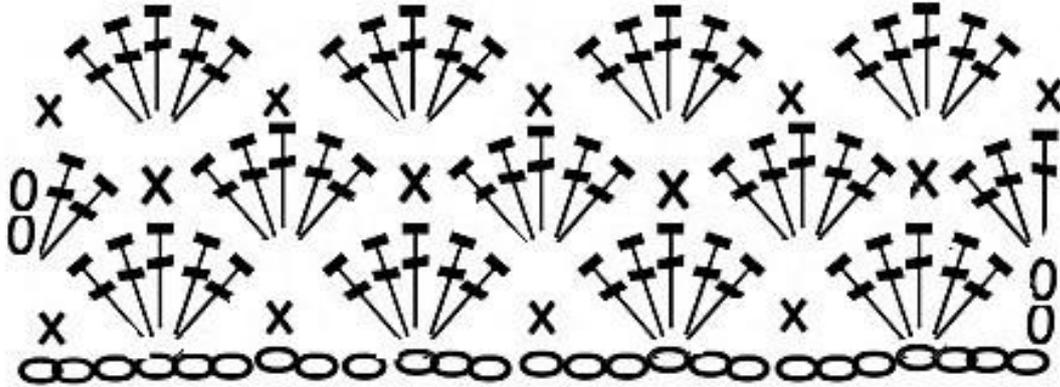

- Chain 2 (=1treble Tr) and 2 Tr together (=3 Tr together) in the first stitch
- ⌘skip 3 stitches, 1 double crochet (Dc), skip 3 stitches, 5 Tr together⌘

Repeat ⌘ to ⌘ till row's end

Row 2:

turn your work and crochet :

5 Tr together in Dc of previous row, and Dc in the middle Tr of the previous 5 Tr group...

O= chain

X= double crochet (Dc),

T blocked = 1treble (Tr)

We alternate now rows 1 and 2 and we rise on 12 inches.

We make a blocking before bringing in the threads and assembling edge to edge

Thanks to Lady-awy Gräfenberg, for the translation ;)
