For this Christmas, I would like everyone to be serene, and above all well surrounded by Love, in the broadest sense of the word.

Since the news on television is very anxiety-provoking about the world around us, why not create a world of Peace with those we love, whether they are our family, our friends, anyone who matters to us?

So here is a small grid that will be very quick to crossstitch, with only 4 steps, then the last one with the back stitches.

To do this, here is the material to prepare!

Final Pattern Dimensions: 42 Stitches Wide X 32 Stitches High

Colours to prepare:

	Vert menthe à l'eau	DMC 912	Anchor 205
	Citron	307	289
	Vent de sable orangé	3855	301
	Blanc	Blanc	1
Points arrière			
	Bleu pastel	3755	144
	Cendre verte	523	858
	Jaune curry	972	298
	Cuivre	3853	1003
	Noir	310	403

And then, please, don't forget...

And then, as for every small SAL I organize, I ask to receive ONE PHOTO PER STEP at the address mentioned above, and also that bloggers or Facebook followers publish the photos montages that I will gladly give them, in order to protect my work! **THANK YOU!!!!**
